Spring 2020 permit purchases for individuals who wish to request a different permit type other than the type they currently hold, and for those who do not currently have a permit, opens Tuesday, November 19 at 10 am. The open sale will remain open until available permits are sold out. If a permit type is sold out, you may place yourself on the available waitlist.

**Important Notes:**

- Permits are sold based on the credit hour schedule listed below.
- All credit hours must be received and recorded with the Office of Registration & Records to be counted towards the requirement for specific parking areas.
- To receive parking near a specific residence hall students living on campus must have received their housing assignment prior to the date of their permit sales.
- Student residents of privately owned proximate student housing facilities located along Hillsborough Street between Rosemary and Cox Streets are not eligible for parking. Additionally, students who reside in University Towers, Valentine Commons, Stanhope, and the College Inn are not eligible for parking.

**How To Purchase Your Permit:**

1. Log into your parking account - ncsu.aimsparking.com
2. Select “Order/Permit/GoPass” and agree to the Terms of Service.
3. Select one permit type from the list of available permits. If you do not see your desired permit, you may place yourself on the waitlist for your desired permit type.
4. Confirm your current vehicle or enter a new vehicle. Only one vehicle may be registered online.
5. Complete your payment and you are done!
