Get the real-time location of your bus using our Transit Visualization System (TVS). <http://ncsu.transloc.com>

To determine when the bus will arrive at a stop that does not have a listed time, find the timed stops before and after your stop. Locate those times on the timetable for that route. The time the bus will come to your stop will be in between those times. Estimate the time and plan to arrive at the stop 5 minutes early.

*Buses only required to wait at stops in bold type; other times are estimated.
